PHILIP MORRIS INCORPORATED
(Barclay Patents - Switzerland)

Dear Mr. Dulles:

Lee Pollak has asked me to send to you a copy of Dr. Felix Thomann's letter of August 26, 1985. It deals with a possible nullity proceeding against the basic B&W Barclay patent in Switzerland. A copy of that letter is enclosed.

I also am sending to you, at Lee Pollak's request, a copy of Dr. Thomann's letter of February 18, 1985 concerning the possible costs of a nullity proceeding in Switzerland.

Lee Pollak has asked me to assemble information concerning the status of additional B&W Barclay patents in Switzerland. I am doing that, and I shall report to Lee as soon as I have the information.

Very truly yours,

W. Edward Bailey
